Words From Our MPPM Alumni

Mr. Chin Sin How, MPPM Cohort 1

Thank you for the opportunity to interact with a broad range of counterparts from around the region. The MPPM has blended leading professors from some of the top universities in the world with local expertise, in both the academic and professional settings. The programme's semester abroad has also provided an opportunity to broaden my horizon and network in today's increasingly inter-connected world.

Ms. Mas Ayu Siti Asmah Hani Binti Zainul Abidin, MPPM Cohort 3

The MPPM is principally about learning the practical approaches to the study of public policy. It is also about the need to better understand the political economy of Brunei and ASEAN as a whole from a global policy perspective. IPS through UBD is the first and only public policy school in the world that offers the niche area in Islamic Governance. The most important thing for me is that I could learn - often first-hand from leading Professors, some from top universities in the world. The one-semester abroad provided opportunity to students to become effective leaders in global settings. MPPM gave me precious networking opportunities and opened up my eyes to the world issues.

The MPPM Programme starts 31st July every year. Funding opportunities are available on a competitive basis. Please send all inquiries to office.ips@ubd.edu.bn
